COMPANY PROFILE

Solar energy greens the life

Solar lights illuminate the future.

Founded in January 2006, Zhejiang ERA Solar Technology Co., Ltd. is one of the council members of China Association of Building Energy Efficiency and the wholly-owned subsidiary of Yonggao Co., Ltd (stock code: 002641). The company is devoted to the field of solar photovoltaic power generation system, dedicating to researching, manufacturing, and selling environmental-friendly products. After decades of accumulation, four series of products are available in ERA Solar,(hereafter, Zhejiang ERA Solar Technology Co., Ltd. will be referred as ERA Solar), including solar modules, solar lights, solar applications, and solar engineering projects. Among them, solar applications cover the widest scope, encompassing solar power banks, solar backpacks, foldable solar panels, solar air-heaters, solar water pumps, and many other solar commodities.

ERA Solar is a National High-tech Enterprise, a PV Applications' Pilot Base in Zhejiang province, and a national-recommended firm in the field of renewable energy and that of architectural application. Backed by its parent company which possesses national class postdoctoral programme and laboratory, ERA Solar employs leading PV authorities as its technical consultants, developing its product lines and innovating its technology. Hitherto, the company holds more than 50 patents, all of which own proprietary intellectual property rights and it was awarded Provincial Patent-Demonstrating Enterprise in 2011. Over 2,000 PV applications have been developed to cater to road construction, yard decoration, farmland operation, and other routine applications—it is technically an enterprise with an annual output of 500 megawatts. Today, ERA Solar has paced the whole nation in the field of PV industry, not only on its product lines, but also upon its innovation.

EC11116-Z

Smart APP Control Solar Pathway Light

Glass Lens, Stake Mount, Black Finish

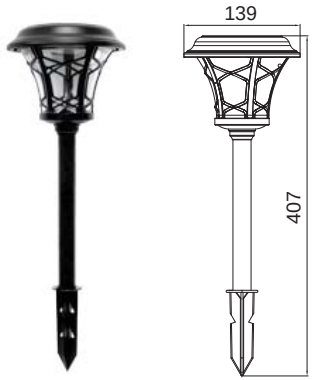
Material: stainless steel+ glass lens

Solar Panel: Mono /Poly

Light Source: 1 warm white LED 2700K,
1 cool white LED 7000K, 1 RGB LED.

Battery: 1*14500 600mAh 3.7V Battery

- Turn the smart solar path lights ON and OFF
- Adjust the brightness of the path lights
- Change the color and white hues
- Battery power indicator
- Adjust the brightness according to the battery power
- Support single control or group control
- Dancing and changing Color with the music rhythm
- Use one of the built-in scenes or set your own scense
- Set a timer or weekly schedule(work with mesh SIG)
- Remote access and control (Mesh SIG)



Individual Packing	Qty/Ctn (pcs)	CTN Measurment(mm)
2pcs/box	12	495x320x370

CTN CBM	Qty/20'GP	Qty/40'GP	Qty/HQ
