BARRIER SEALS

## RFID HIGH SECURITY SEALS

Type	RFID BOLT SEAL ES103A
Material	Carbon steel galvanization with ABS plastic cover
Dimensions	Bolt Length: 73mm Bolt Diameter: 10mm
Frequency	UHF 860-960MHz
Reading Range	1.5-6 M
Breaking Strength	≥ 10KN
Color	White; Yellow; Orange or Customed
Standard	ISO PAS 17712, IP67
Protection	Completely Tamperproof

The passive ES103A works without battery and its reading range about 10 meter.

- Features**
1. ES103A can't read any RFID DATA before use.
  2. ES103A can read RFID DATA when closed.
  3. ES103A can't read any RFID DATA after cutting.

**If ES103A don't have these function that is just the RFID tag.**

**Certification** ISO17712:2013 "H"grade , C-TPAT, ISO9001:2008

**Application** Widely used on trucks, tanker trucks, air cargo containers, shipping containers, rail cars, calibrators and valves.

Box Size(L*W*H)	G.W.	Quantity/box	Production capacity
460 * 390 * 305MM	17KG	200PCS	5 days ≤ 50000pcs

**Our Services:**

1. Any inquires will be replied in within 24 work hours.
2. Samples production and delivery service can be provided.
3. OEM/ODM is available.
4. All products have been strictly quality test in our factory before packing.
5. We do our best to meet the demand of different customers.

**FAQ:**

Q:Do you have your own factory?

A:Yes,we're manufacturer in china since 1992,located in Shenyang, China.

Q: Why choose us ?

- A: 1.We are the factory. manufacture all kinds of seal,with reasonable price ,high quality and short delivery time .  
2.Quality Controlled The company is considering."Quality First, Service First"  
3.Special Customized At the same time, we provide customizing service, if all of our products cannot meet your

Q:Do you provide free sample?

A:Yes,we always do,but first time you'd better pay the delivery charge.

Q:Could you print our company logo on nameplate and package?

A:Yes,we can do that.

Q:Do you accept custom design on size?

A:Yes,if the size is reasonable.

Q:What's your delivery time?

A:We're factory,so we can efficiently control the production time.

Q:What's your MOQ?

A:No limit.

Q:What's your payment?

A:We accept T/T,L/C,D/A,Western Union,Paypal.

Seals with RFID technology, provides added value in control operations, good reliable reading towards moving goods and values in order to enhance their traceability.

The other name is E-Seal(electronic seal) or RFID seal(Radio Frequency Identification). The E-seal has many types that has active, passive and semi-active. The passive E-seal is without battery. It can substitute for tradition seals that often applies on gas, oil, truck and container.
