YUHUAN DONGHAI VALVE CO.,LTD

BRIEF INTRODUCTION

Established in 1998, Yuhuan Donghai Valve Co., Ltd is a professional manufacturer and exporter that is concerned with the design, development and production of the ram stroke Water Supply Valves, Pipe Fittings, Ball Valves etc. All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world.

Our well-equipped facilities and excellent quality control throughout all stages of production enables us to guarantee total customer satisfaction. Besides, we have received ISO9001:2008 quality management system certification, and the cUPC, NSF61-9 and AB 1953 Certificates by IAPMO from USA. At the same time, we have got the liability insurance for years.

If you are interested in any of our products or would like to discuss order, feel free to contact us please. We are looking forward to forming successful business relationships with new clients around the world.
