ABOUT ROTAKE

Rotake Tools Co., Ltd is the leading manufacturer of high torque impact wrenches, the leading export brand of professional air tools in China, the leading manufacturer of innovative cordless power tools.

Founded in 2010, ROTAKE has set up its global operation and R&D headquarter in Changsha and invested USD 15 million to build a 30,000m² manufacturing center in Jiaxing. We adhere to the "Innovation-Driven" strategy and establish a R&D engineering team account for 20% of all employees. Equipped with top-notch laboratories and professional engineering and sales team, Rotake strives to offer high-performance tools and localized one-stop services to customers worldwide.

Over the past decade, Rotake has been awarded Top Ten Influential Brands in China's Automotive Repair and Maintenance Industry and Top Ten Repair Tool Brands, etc., and rated as a National High-Tech Enterprise in 2020.

Nowadays, ROTAKE cooperates with top brands all over the world, with products distributed in more than 70 countries and regions. As a fast-growing enterprise, we boasts long-standing partners and service networks around the world, and are well on its way to emerge as a world-class innovative tools company.

BOXER I SERIES HIGHLIGHTS

Upgraded LED Light

Two front LED lights offer greater visibility in dark spaces.

Unique Design

Ergonomic design for less fatigue, and compact size for greater access.

High Drop Resistance

Rubbers around the tool offer high drop resistance.

Higher Torque

delivers quicker, more powerful burst of torque.

Improved Brushless Motor

provides long-lasting efficiency and durability.

Belt Buckle Protection

Designed to protect against drops.

Longer Battery Life

Cells and BMS improvement contributes to the battery endurance and extreme longevity.
