New Product 2022

Product Catalog for our
New Season Products 2022

Company Profile

HD Hardware Co., Ltd. is a factory with 10 years of import and export, providing customers with a one-stop service for furniture hardware parts. The products are exported to many countries such as Russia, Europe, America and Canada, South America, etc. The annual sales volume of foreign trade of HD Hardware reaches 65 million dollars.

The company has business sales teams in Russian, Spanish, Portuguese, German, Arabic, French, English and other languages, whom had provided customized procurement services for thousands of overseas customers.

HD Hardware has a professional senior procurement team and specialists to order and develop various types of products. At present, HD has reached good cooperation with more than 400 hardware accessories suppliers all over the country. In the future, our company will strive to create a more diversified market of high-quality products, promote it to overseas customers, and form a more comprehensive one-stop procurement platform.

With the business philosophy of "quality first, customer first", the company has won the trust and support of customers at home and abroad with its professional language strength, the latest product creativity, enthusiastic service, and good reputation.
